

KRUGER SAFARI - BRAAI SAFARIS

Braai Safaris was established as an idea to combine the experience of a *Braai* and a *Safari* together to recreate our tradition in the *BIG 5* world, inside the famous *Kruger National Park*.

Private Safari vehicle and a highly qualified field guide, light breakfast, braai lunch with a typical South African menu and a second person, who takes care of you for the duration of the trip (please note meals and drinks on request at an additional price). We supply a unique and authentic experience to our customers; but above all to share with them what is our passion for nature and our knowledge in the sector.

“In South Africa it is impossible to truly connect to the wild environment without a Braai and a Safari ”

-Wiánn de Lange

Braai Safaris is a small and intimate private company, we provide a typical and true wildlife experience, not only giving our guests a unique experience but also sharing our passion for this amazing wild environment.

We strongly believe and focus on quality and not quantity. This way we exceed our guest expectations.

Our mission is not only to grow, but also to be able to establish a long-lasting relationship with our customers to provide better services and unique experiences.

We collect moments and emotions, not things.

Our guide speaks Afrikaans, English, Italian (80%) and a bit of Shanghaan. He has more than 10 years experience in the most famous reserves of South Africa, both in safaris conducted by car and on foot and is a highly qualified Fgasa registered field guide, ready and prepared to answer any questions and curiosity of nature that surrounds us.
