Nourish Eco Village Immersion Tour Information

Nourish Eco Village Immersion Tour:

Have you ever wondered what's happening at an NGO?

This unique Immersion into the heart of our Nourish Eco Village is the best way to answer that,

Come and be part of our morning activities., get to learn about our projects,

From spending some time with our kids at our Rise crèche , then going with Triad at our farm to harvest vegetables for your traditional lunch.

Meet our grannies in their kitchen and help them and learn their traditional way of cooking. (Our Grannies cook more than 120 lunches per day for our staff and kids).

Shik Shack was created to produce a sustainable income stream for Nourish Eco Village, through tourism, as their time and their money helps us to create skills in local community members.

We believe that by working to grow resilient wildlife communities that are healthy, educated, and have access to opportunities, we can break the poverty cycle and thus impact the poaching coming out of rural areas.
