The Tour starts at Nourish Eco Village on Orpen Road, where our Guide will take over and take your guest for the tour. They will come back to Nourish Eco Village for a 20min walking Tour around Nourish Eco Village to show what we do onsite.

Guests can also enjoy cold drinks from the bar (extra cost) and shopping at our Craft Shop (Homemade Craft from the locals villages).

Shik Shack was created to produce a sustainable income stream for Nourish Eco Village, through tourism, as their time and their money helps us to create skills in local community members.

We believe that by working to grow resilient communities, that are healthy, educated, and have access to opportunities, we can break the poverty cycle and thus impact the poaching coming out of rural areas.
